FINANCIAL STATEMENTS

MARCH 31, 2016

INDEPENDENT AUDITOR'S REPORT

To the Members,
The Primate's World Relief and Development Fund

We have audited the accompanying financial statements of The Primate's World Relief and Development Fund / Le Fonds du Primat Pour le Secours et le Développement Mondial (the organization), which comprise the statement of financial position as at March 31, 2016, and the statements of changes in net assets, operations and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

In common with many not-for-profit organizations, the organization derives revenue from donations, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, verification of this revenue was limited to the amounts recorded in the records of the organization, and we were not able to determine whether any adjustments might be necessary to donation revenue, excess of revenue over expenses for the year, assets and net assets.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of The Primate's World Relief and Development Fund / Le Fonds du Primat Pour le Secours et le Développement Mondial as at March 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

THE PRIMATE'S WORLD RELIEF AND DEVELOPMENT FUND / LE FONDS DU PRIMAT POUR LE SECOURS ET LE DÉVELOPPEMENT MONDIAL

NOTES TO THE FINANCIAL STATEMENTS

MARCH 31, 2016

The Primate's World Relief and Development Fund/Le Fonds du Primat Pour le Secours et le Développement Mondial (PWRDF, the organization) is incorporated without share capital under the provisions of Part II of the Canada Corporations Act and continued under the Canada Not-for-profit Corporations Act. The organization is exempt from income tax in Canada as a registered charitable organization under the Income Tax Act (Canada).

PWRDF is a Christian organization committed to a vision of international development and global justice founded on theological reflection and faith-based analysis. The organization engages in development work, responding to emergencies, working to protect refugees, and educating and advocating for change on a non-partisan basis.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Management is responsible for the preparation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations. Outlined below are those policies considered particularly significant:

Revenue recognition

The principal sources of revenue and recognition of these revenues for financial statement purposes are as follows:

Contributions

The organization follows the deferral method of revenue recognition for contributions. Externally restricted contributions, including project grants and donor restricted donations, related to current expenses are recognized as revenue in the current year. Externally restricted contributions received in the year for expenses to be incurred in the following year are recorded as deferred contributions. Unrestricted contributions, including donations and amounts received from fundraising, are recorded when received. Endowment Fund contributions are reported as direct increases to net assets.

Contributed materials and services

Contributed materials and services which are normally purchased by the organization are not recorded in the accounts.

Investment income

Investment income comprises interest from cash, interest and dividends from fixed income and equity securities respectively, reinvested distributions from index pooled funds and unrealized and realized gains and losses on the sale of marketable securities. Interest on fixed income investments is recognized over the terms of these investments. Transaction costs associated with the acquisition and disposal of marketable securities are expensed as incurred.

Cash equivalents

Cash equivalents comprise short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Foreign currency translation

Transactions denominated in foreign currencies are translated into Canadian dollars at exchange rates prevailing at the transaction date. Monetary assets and liabilities are translated into Canadian dollars at exchange rates in effect at the date of the statement of financial position. Exchange gains and losses are included in the statement of operations.

Capital assets

Capital assets are recorded at cost less accumulated amortization. Amortization is provided annually at rates calculated to write-off the assets over their estimated useful lives.

NOTES TO THE FINANCIAL STATEMENTS

MARCH 31, 2016

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Allocation of expenses

Personnel, occupancy and other expenses are allocated to programs based on the proportional hours spent on each.

2. MARKETABLE SECURITIES

Marketable securities, carried at market value, as at March 31 were as follows:

	2016	2015
Equities	\$ 3,319,311	\$ 2,665,758
Fixed income securities	<u>2,438,592</u>	<u>1,724,554</u>
	<u>\$ 5,757,903</u>	<u>\$ 4,390,312</u>

Included in equities is a \$229,389 investment in Oikocredit (\$219,375 as at March 31, 2015). Oikocredit is a world-wide ecumenical co-operative society of churches and individuals whose purpose is to mobilize financial resources for further development of poor areas of the world.

3. FINANCIAL INSTRUMENTS AND RELATED FINANCIAL RISKS

The organization's financial instruments include cash, marketable securities, amounts receivable, accounts payable and accrued liabilities.

Marketable securities, which comprise fixed income securities and equities are measured at fair market value, determined by reference to published price quotations in an active market at year end. Amounts receivable, accounts payable and accrued liabilities are initially recorded at fair value and are subsequently recorded net of any provisions for impairment in value.

The organization regularly monitors the prevailing market rates for foreign exchange. Management attempts to mitigate fluctuations in cash flows resulting from changes in foreign exchange rates for amounts received from foreign funders and amounts paid to foreign suppliers. Management does this by maintaining sufficient currency on hand to meet financial liabilities such that it is not necessary to convert currency when conditions are unfavourable.

The organization is exposed to other price risk through changes in market prices (other than changes arising from interest rate risks) in connection with investments in equities. This risk can be caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments trading in the market.

It is management's opinion that the organization's existing cash balances and cash flows generated from operations are sufficient to meet the organization's financial liabilities and that the organization's financial instruments are not exposed to significant financial risks.
