Indonesia Earthquake/Philippines Super Typhoon

PWRDF is responding to the magnitude 7.4 earthquake in Indonesia through the ACT Alliance with a \$20,000 grant. Relief priorities are the provision of food, shelter, safe drinking water and sanitation and hygiene infrastructure. As the rainy season approaches, the risk of an increase in disease, particularly among the most vulnerable, is a growing concern. ACT Alliance is ready to respond, providing health services, distributing food and non-food items to 500 affected households in the coming days.

PWRDF is responding to Super Typhoon Mangkhut in the Philippines through longstanding PWRDF development partner the Cordillera People's Alliance with a \$13,000 grant. PWRDF is also contributing \$20,000 to an ecumenical response through fellow ACT member the National Council of Churches in the Philippines. Financial resources will provide emergency food rations to 400 of the most affected households in Benguet.

Please keep the people of Indonesia and the Philippines in your prayers and support PWRDF's response to these ongoing crises.
