

## Yemen Emergency Response

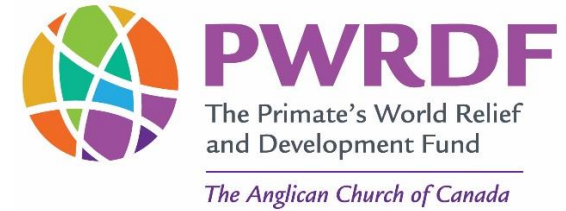

PWRDF is contributing \$50,000 of its Canadian Foodgrains Bank equity to a food relief project to support vulnerable families in Yemen suffering from extreme hunger.

The project is led by Canadian Foodgrains Bank member ADRA Canada, and supported financially by the Government of Canada and fellow Foodgrains Bank members Development and Peace-Caritas Canada, Evangelical Missionary Church of Canada, Nazarene Compassionate Ministries, World Renew and The United Church of Canada.

Hunger, disease and bombs are devastating the lives of millions of people as the war in Yemen continues into its fourth year. About 8.4 million people in the country are at risk of starvation.

Through the new project, 1,100 vulnerable families will receive vouchers that allow the families to select food for themselves while supporting local food vendors and their families. The vouchers are redeemable for salt, sugar, flour, oil and beans.

Please keep the people of Yemen in your prayers and support PWRDF's response to this ongoing crisis!
