

Government will match donations to Cyclone Idai emergency response

Up to three million people in Mozambique, Malawi and Zimbabwe are in desperate need of humanitarian aid in the aftermath of Cyclone Idai. Hundreds of people have died and survivors have been displaced, creating vulnerable situations for children separated from their families, and women and girls in refugee camps. Severe flooding has damaged water systems leading to a lack of clean water and risk of cholera and other water-borne diseases.

For every dollar donated to PWRDF's Cyclone Idai response, between March 15, 2019 and April 14, 2019, the Government of Canada will provide the same to the Humanitarian Coalition, up to a maximum of \$2 million.

PWRDF is participating in the match through Canadian Foodgrains Bank, a member of the Humanitarian Coalition.

As we know, recovering from these events is a long-term process as families work to rebuild their communities and livelihoods. Please also pray for the agencies on the ground, including the PWRDF partner organizations.
