PWRDF

Working together to
create a truly just,
healthy and peaceful
world

For 60 years, The Primate's World Relief and Development Fund has been the Anglican Church of Canada's agency for sustainable development and relief. Through the support and accompaniment of Anglicans and in the wider community across Canada, PWRDF makes financial and human resources available to partners around the world and in Canada, working to improve health, food security and livelihoods for vulnerable people.

PWRDF depends upon the financial support of Canadian Anglicans and others to carry out this vital work. These gifts allow PWRDF to leverage support and further funding from other partners, including the Government of Canada. This allows PWRDF, with local partners, to achieve even greater results for the most vulnerable.

Become a Monthly Donor

Monthly donations provide a steady and predictable revenue source. Simply go to pwrdf.org/give-today and click on Donate to Where Needs are Greatest. Then indicate on our secure online form that you would like to give monthly. These gifts will be automatically debited from your credit card each month.

You can also set up monthly withdrawals from your credit card or bank account by downloading and submitting the form found at pwrdf.org/monthlydonor, or telephone or email us at pwrdf@pwrdf.org to set up a monthly giving plan that is best for you.

Where you can give

Your donations will be directed to where current needs are greatest, or you can indicate that you'd like to support one of the following areas:

Emergency Response

Climate change continues to worsen, and natural disasters like flooding, hurricanes, typhoons and drought affect the world's vulnerable populations.

All Mothers and Children Count

AMCC supports maternal, newborn and children's health in rural areas of Rwanda, Tanzania, Burundi and Mozambique. For every dollar you give to All Mothers and Children Count, the government gives \$6.

Indigenous Programs

PWRDF is committed to nurturing and building relationships with Indigenous communities in Canada, supporting the preservation of language and culture, and defending the right of Indigenous peoples to self-determination.

Canadian Foodgrains Bank equity

PWRDF works with other members of the Canadian Foodgrains Bank to respond to humanitarian crises. For every dollar you give to PWRDF's equity in the Foodgrains Bank, the government gives \$4.

Health, food security & human rights

Many vulnerable communities are unable to raise healthy children and ensure their future. PWRDF works with local partners to implement programs based on community needs.

Investing in Youth

PWRDF invests in youth through its development programs as well as through the work and practice of PWRDF.
