PROGRAM ASSESSMENT CONSIDERATION

Please fill out the answers below as fully as possible, then save the document and email to José Zarate, PWRDF Indigenous Program Coordinator, at pwrdf@pwrdf.org.

1. Project Rationale

Describe the development needs/problems/challenges to be addressed by this proposal.

Explain how the proposal will address the development needs/problems/challenges.

Which organizations (NGOs, government departments, stakeholders, etc.) will be engaged to implement this initiative?

2. Community Consultation/Collaboration

How did community members and stakeholders participate in proposal development and project design?

How will community members and stakeholders actively support this initiative before, during and after implementation?

How were community ownership and community strategies for achieving the intended results incorporated into proposal development and project design? Include any formal organizational structures or processes that facilitate ongoing networking and communication with other local development actors.

Does this initiative duplicate projects and/or activities implemented by other development actors (NGOs, communities, civil society, government, etc.) in the proposed operational area?

- Yes
- No

3. Gender

Describe how the project will contribute to achieving greater gender equality in areas of **decision making** (capacity for public participation, representation among decision makers); **Rights** (public awareness, response to gender specific rights violations) and **economic empowerment** (livelihoods and productive assets, institutional capacity, policy change, wellbeing and basic needs).

4. Briefly describe the activities to be undertaken to reach the project objectives.

5. Describe the results, changes and lessons learned expected to be achieved.

6. How many direct and indirect participants will the project have?

Please complete the table below.

- Direct beneficiaries receive something directly from the specific initiative such as goods, services, training, and access to resources.
- Indirect beneficiaries benefit from the outcomes/results of the specific initiative.

<i>Participants</i>	<i>Adult</i>		<i>Child</i>		<i>Youth</i>		<i>TOTAL</i>
	<i>Female</i>	<i>Male</i>	<i>Girls</i>	<i>Boys</i>	<i>Girls</i>	<i>Boys</i>	
<i>A) Direct</i>							
<i>B) Indirect</i>							
<i>Total Participants (direct+ indirect) =</i>							

7. Governance and management structure for the initiative.

Who is accountable for the overall initiative?

Who is responsible for project management?

Who is responsible for financial management?

Who is responsible for monitoring and evaluation?

Who is responsible for liaising with community members and stakeholders?

Will there be collaboration with other organizations, and if so, what will their roles will be?

8. Budget

Please attach a budget for the proposed initiative in Excel. Please use the [PWRDF Excel Budget Template](#) and include a budget line for each activity including cost per unit and number of units.)
