## **1. Project Description**

Please tell us about:

- your organization/community
- the problem/issue/community need you are addressing
- the activities you plan to implement.

What impact do you expect to achieve as a result of this project?

## **2. Community Consultation/Collaboration**

How will community members participate in planning and implementing this project?

How does this project complement other activities going on in your community?

### **3. Project Participants**

How many people in your community do you expect to benefit from the project? Please provide some description/information about the people you expect to benefit from the project (expected ages, gender, students? Urban, rural?)

#### 4. Budget

Please fill in the budget template below. Any line items that do not apply to your project (for example, Government) please leave blank. Please include a budget line for each activity and provide details about cost per unit and number of units in the comments (for example, Rental of 50 chairs @ \$2.50/chair.)
