5. Have you had “responsible ministry,” “Safe Church” or any other sexual misconduct prevention training and if so, when and where did you take that training? If you have not had this training, you are asked to seek it out in your diocese, or ask PWRDF for help in identifying a suitable program.

6. As noted in the role description, it is expected that you will facilitate a number of Mapping Exercise workshops each year. It is hoped that some of the in-person workshops could be facilitated together with another volunteer facilitator from your region/Ecclesastical Province should schedules and geography allow. It is strongly recommended that facilitators work in pairs to deliver the online/digital workshop. A workshop plan for your region in the year following the training will be developed and staff can help you with this. **Thinking ahead, can you identify possible opportunities within your region, diocese and/or ecclesiastical province for possible Mapping Exercise workshops?**

7. Do you have any dietary or mobility concerns? Please be as specific as possible. This will help staff in the planning of the workshop in Toronto.

8. Is there anything else you would like to share with us about yourself or any questions you have?
