DEFINITION

For the purpose of this policy:

Accessibility: Accessibility refers to the design of products, devices, services, or environments for people who experience all forms of disabilities.

Discrimination means any form of unequal treatment whether imposing extra burdens or denying benefits. It may be intentional. It may involve direct actions that are discriminatory on the face, or it may involve rules, practices or procedures that appear neutral but disadvantage certain groups of people. Discrimination may take obvious forms or may happen in very subtle ways.

Diversity: Celebrates the myriad backgrounds, experiences, & perspectives that individuals bring to the table. In the nonprofit sector, this means recognizing and valuing the varied voices of stakeholders, from beneficiaries to donors.

Equity: Goes beyond equality. While equality offers everyone the same resources, equity ensures that resources are distributed based on individual needs, ensuring that everyone has an equal opportunity to succeed.

Inclusion: Is about creating an environment where everyone feels valued, heard, and empowered to contribute. For nonprofits, this translates to inclusive programs, policies, and practices that resonate with the diverse communities they serve.

The Management Team: is the highest senior team of Directors and leaders in an organization, including the top leader in PWRDF. The positions are – the Executive Director, the Director of Finance, the Director of Programs and Partnership and the Director of Fundraising and Supporter Relations.
